Dear Matt:

I want to take this opportunity to again thank you for your hard work and dedication during Norfolk Southern's recent Austell case. You were quite diligent in your trial of this case and I believe that your personal (as well as professional) commitment made the difference with the jury. Thank you for your fine effort and please accept the enclosed Norfolk Southern model locomotive and the Caterpillar model tractor as tokens of my and Norfolk Southern's appreciation for a job well done.

Keep up the good work!

Sincerely,
