# Wrestlers Win First Major Tournament

The Wildcat Grapplers capped their finest dual meet season (11-1) by winning the North Metro Takedown Club tournament, defeating powerful Marietta, Osborne, and Region 5AAA champion North Springs. The Cats amassed 86½ points to second place North Springs, 67 and Cherokee's 58. Nolen Eastham, Jeff Lewis, and Matt Flournoy won individual titles and Tim Mescon, Jimmy Eastham, Billy Warren and Don Jaquith also placed. In the Region 4AA meet, Westminster finished a strong second after Peachtree with Jeff Lewis taking first, Billy Warren, Jimmy Eastham, Billy Gunn and Matt Flournoy taking second, Tim Mescon third and Nolen Eastham fourth. In the State Tournament Jeff Lewis and Matt Flournoy captured third place medals. This year's team showed tremendous spirit and unity, and built quite a following of fans at the matches. The team's strength was reflected by seven of the twelve first-stringers winning twelve or more individual matches this season. Tim Mescon and Jimmy Eastham led with sixteen victories each. With the promise of new power coming from the Junior Varsity, which scored an easy first place in the Osborne tourney (fourteen schools), the Westminster wrestlers are now a power to be reckoned with in the state.
